FINAL INTERNATIONAL UNIVERSITY

TOP 10 REASONS TO CHOOSE FINAL INTERNATIONAL

Join a Young & Innovative University!

Did you know that Final International University is one of the youngest and most innovative universities in North Cyprus? FIU is part of the biggest private educational group in Turkey with 40 years experience in the education industry and over 550 schools spread throughout the country.

Lowest Student-Teacher ratio in North Cyprus!

Did you know that FIU has the lowest student-teacher ratio compared to all other universities in North Cyprus, with one teacher for every 20 students? This means that our faculties and academic staff can provide the very best standard of education, guidance and training possible as you fast-track towards graduation and your dream career!

Quality Education for Affordable Fees!

Did you know that FIU is dedicated to making quality education accessible for students from all around the world? FIU is a fully accredited university offering scholarships in the form of 30%, 40%, 50%, 60%, 70%, 80%, 90% and 100% available for all departments. At FIU there's an opportunity for everyone!

Study in a Global Environment!

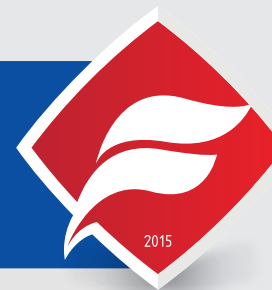

Did you know that FIU has a 95% international student population? Located in the prime location of Kyrenia, FIU will proudly welcome you into a young, diverse and inclusive environment where all cultures and ethnic backgrounds are equally celebrated. FIU also has the fastest expanding collaboration rate with other education providers located around the world.

Career-Centred Internship Programs!

Did you know that FIU offers career-centred internship programs in companies around the world to make sure you'll be 'work-ready' as soon as you graduate? FIU is also part of the the DMG-Akgunler Group, which is the largest Tourism company in North Cyprus. With their support you will be sure to experience the most rewarding and beneficial internship opportunities that any North Cyprus university has to offer.

UNIVERSITY!

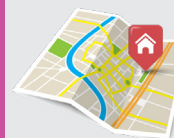

Quality Education Assurance!

Did you know that FIU combines its high-tech modern infrastructure, and outstanding science laboratory facilities, with a superior standard of inspirational academic staff? FIU is dedicated to providing you with the education necessary to join our leading experts in your future career.

Prime Location!

Did you know that FIU is located in the most popular city of North Cyprus! Perfect for students, the town of Girne (Kyrenia) is filled with fun social outdoor activities, cultural attractions, sports facilities, great places to eat and much more!

Employment Guaranteed!

Did you know that FIU is the only university in North Cyprus that guarantees graduates (from selected programs) employment as soon as you graduate? With the quality education standard that FIU academic experts provide, we fully support our statement that FIU generates the future leaders and employees!

Home Standard Accommodation!

Did you know that FIU offers a comfortable and safe accommodation service, making students feel completely at home? With 4 different accommodation options to choose from all located within close proximity to the university, FIU makes sure you'll never be late for class with our regular free student bus service.

Family Atmosphere & Student Clubs!

Did you know that FIU has a strong family-like atmosphere where each student is attended to with the highest level of service possible? Our friendly and professional academic and administrative staff are waiting to help you settle into your new student life and environment and join the many social and extra-curricular club activities on offer. FIU will introduce you to new friends and help you to maintain your healthy living standards with affordable and delicious home-made food and on-campus sports facilities.

ENJOY YOUR NEW LIFE IN KYRENIA!

320 days of **sunshine**
each year

#1 Location choice in
Cyprus

FINAL INTERNATIONAL UNIVERSITY

Rich in **history and culture**

A harmony of historical and modern **architecture**

Diverse **multicultural population**

Safe environment with **beautiful nature**

FIU is located in the coastal town of Cyprus, and offers stunning scenery set within a peaceful and comfortable environment. With its rich and interesting history, Kyrenia is the most popular location in Cyprus for tourists and international students!

Long summer seasons and popular indoor and outdoor activities make Kyrenia the perfect place to live and study whilst at university.

Northern Cyprus is also a geographically central country and is considered by many as the perfect global platform for future aspirations!

COMPLETE YOUR APPLICATION WITH 5 SIMPLE STEPS!

The International Office makes applying to FIU quick and simple.

All you have to do is follow these 5 easy steps in your quest to become our new student:

**1ST
STEP**

Visit our website (www.final.edu.tr) and choose the program that you wish to study. Then proceed to "apply online" to submit your application. Alternatively you can also contact our friendly International Office team via: international@final.edu.tr that will be happy to help you.

**2ND
STEP**

Once your application is accepted, a Conditional letter of acceptance will be emailed to you. This document provides instructions on how to make your deposit payment and secure your placement offer. Once your payment is received, an official Acceptance Letter will be sent to you within 2 working days.

**3RD
STEP**

We encourage our students to stay in the FIU accommodation, especially for their first year of study. Our International Office team will help you to reserve your accommodation. Once this is done, all that's left between you and North Cyprus is packing your luggage ready for your new student life!

**4TH
STEP**

Some nationalities require a Transit Visa to travel to North Cyprus, so please check with your nearest Turkish Embassy or contact our International Office team before you book your flight!

**FINAL
STEP**

To make sure we get the right time and date of your arrival to Ercan International Airport, please email your flight ticket to our International Office team at least 3 working days before you travel.
